RECITALS

- A. The User wishes to use a certain computer program.
- B. PPG has offered to grant the User a non-transferrable and non-exclusive Licence to use the computer program subject to the terms and conditions set out below.

1. DEFINITIONS

"**System**" means the Software together with the Documentation and the Improvements and any other programs, optional modules, other materials or documents which PPG may supply to the User.

"**Documentation**" means any written or printed matter including operating manuals, users manuals and other documents designed to assist or supplement the understanding or application of the Software.

"**Fee**" means:

- (a) initially, the amount set out in the "Contract Details" section of this agreement; or
- (b) any amended amount of which PPG notifies the User under clause 3.1.

"**Improvements**" means all improvements, variation, additions, updates, modifications and enhancements made by PPG to the Software and to the Documentation.

"**GST**" means any goods and services tax or similar tax imposed by the Commonwealth of Australia, other than any penalty, fine, interest or like payment.

Capitalised terms that appear in this Licence have the meaning given to them on page 1 of this Licence.

2. LICENCE

In consideration of the payment by the User of the Fee (payable in accordance with the Payment Period), PPG hereby grants to the User a non-exclusive, non-transferable Licence to use the System for the Initial Term beginning on the Commencement Date on the terms and conditions set out in this Licence.

3. FEE AND PAYMENTS

PPG may amend the Fee payable for existing installed modules each Payment Period by giving the User a minimum of 60 days written notice of the amended Fee. PPG may immediately charge an additional fee when the user agrees to install and accept charges for additional modules

3.1 "**GST**" and other terms and expressions defined in *A New Tax System (Goods and Services Tax) Act 1999* (Cwlth) have the same meaning in this clause.

3.2 In addition to paying any amount payable under this agreement for the supply of goods, services, real property or other things, each party must, subject only to the other party presenting it with a valid tax invoice, pay to the other party, the amount of GST payable in relation to that supply.

3.3 Each party must do all things necessary or reasonably desirable to ensure that the other party can claim:

- (a) input tax credits or adjustments in respect of GST paid; and
- (b) refunds in respect of payments or set offs, pursuant to this contract.

- 3.4 Where any consideration for the supply of goods, services, real property or other things is ascertained by reference to any cost or expense incurred by a party, that cost or expense shall be calculated by deducting from the actual cost or expense the amount of any GST input tax credit that the party can claim in respect of the cost or expense, but nothing in this sub-clause shall limit or affect the operation of sub-clauses 3.3 and 3.4.
- 3.5 Where amounts payable pursuant to this contract are offset against any other amount, each amount offset shall be calculated in accordance with the principles of this clause, as if it were an actual payment made pursuant to this contract.

4. **FURTHER TERMS**

On conclusion of the Initial Term or any subsequent 12 month term, this agreement is automatically renewed for a further 12 month term unless either PPG or the User gives the other party written notice that it does not wish to renew the agreement at least 60 days before expiry of the current term. If notice is given and this agreement is not renewed, the expiry of the current term is taken to be a termination of the agreement for the purposes of clauses 12.4 [12.5] and 12.6.

5. **USE**

- 5.1 The User is licensed to use the System solely for the internal purposes of its own business (but not for the purpose of any business offering the System as part of a bureau, or other similar service, to anyone) on a single or multiple terminal computer system at the Site.

11. WARRANTY

Subject only to any non-excludable provisions of the Trade Practices Act 1974 or any similar State or Territory legislation which may apply in relation to this Licence, PPG, its dealers and distributors shall have no liability on any basis for any loss or damage suffered by the User arising in relation to its use of the System or in relation to the provision by PPG to the User of the System or any services in relation to the System or the unavailability,
